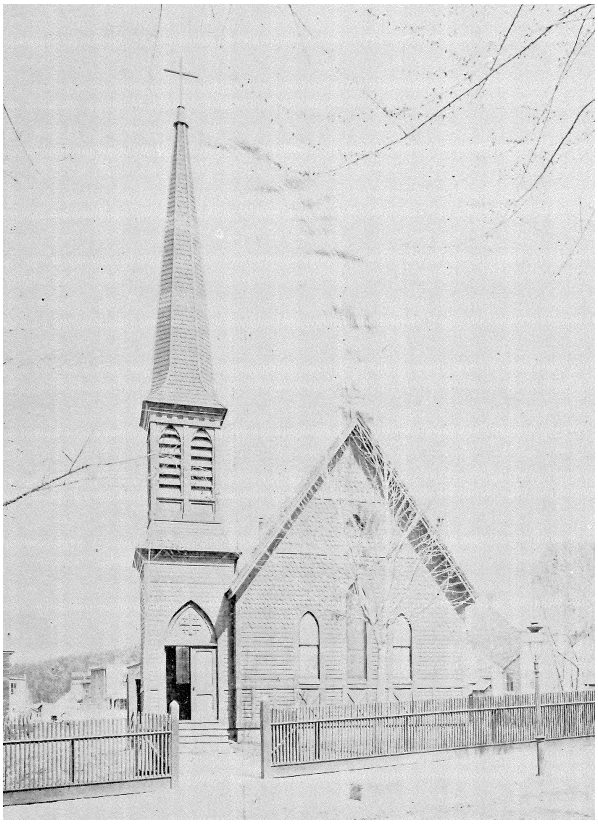
Transformed lives, transforming our community.

150 Years!!!

Dear Brothers & Sisters in Christ,



In 1867, Andrew Johnson was still President of the United States having been elevated to that office upon the assassination of President Lincoln two years earlier; the country was still healing from the lingering wounds of the Civil War; Nebraska became the 37th state and Alaska was purchased from Russia at the exorbitant cost of $7.2 million (2 cents/acre); the first ship passed through the Suez Canal, and Queen Victoria ruled over the British Empire

And in September of 1867, Christ Church would begin her life and ministry in the city of Schenectady! Although most of you were not around when the church had it's humble beginnings from Miss Abbie Vought's Sunday School class of 1867, all of us are spiritual descendants of the original Christ Church family and all have a reason to rejoice for this milestone! Preparations are underway for our sesquicentennial celebration in September as we anticipate a ceremony to include various officials and ministries from our immediate community and beyond to mark the occasion. Stay tuned for the schedule of upcoming events and in the meantime, practice saying the word, "sesquicentennial."

Sesquicentennially yours…

In Christ,

Brad +
